One of the primary benefits of using Oxford Dictionary is the availability of over 350,000 words. You can also check the 'recent list' to review previously searched words. The development team comprises of experts in the creation of learning tools and dictionaries. With a simple and clean interface, Oxford Dictionary free download has been designed for students, academicians, professionals, and anyone interested in using an authoritative and comprehensive dictionary. Regularly updated with more words, the Oxford Dictionary app download, you're always up-to-date with the latest expressions and words. While using this app, you can dive into the depths of English language easier and faster than ever. Most importantly, like virtual translators online, the app comes with 'Tap to Translate' feature, which allows you to translate words instantly. Quickly find words with search tools. Oxford English Dictionary app download has been designed to provide a comprehensive search experience. Search results are displayed within seconds! You can also use the 'voice search' feature to look up words without knowing their spellings. Learning tools with engaging features. Oxford Dictionary of English FREE comes with a 'Favorites' option, which lets you create custom folders with specific words from a wide range of entries and libraries. Unfortunately, this feature is only available in the premium version. Oxford Dictionary download comes with an intuitive layout of the home page. It's also available for iOS. SEARCH TOOLS * Search autocomplete helps find words quickly by displaying predictions as you type * Keyword lookup allows you to search within compound words and phrases * An automatic 'Fuzzy filter' to correct word spelling, as well as 'Wild card' (* or ?) to replace a letter or entire parts of a word * Camera search looks up words in the camera viewfinder and displays results * Share word definitions via installed apps on your device. LEARNING TOOLS - engaging features that help you further enhance your vocabulary. Additionally, several innovations have been introduced to impact the speed of searches. Oxford Dictionary of English FREE is a free app for Android smartphones. With more than 75,000 audio pronunciations of rare and common words, you're able to learn a lot about different accents. Using the 'Fuzzy filter', you can correct the word's spellings as per suggestions. The app comes with a wide range of search tools to suggest or match words and phrases. Apart from the word count, the Oxford Dictionary of English Free contains more than 75,000 audio pronunciations, which makes it one of the most diverse dictionaries for Android. Oxford Dictionary of English is the mobile version of the renowned Oxford English Dictionary from Oxford University Press. Since the app has an intuitive and functional interface, it doesn't take much time to get used to the layout. * 'Favorites' feature to create custom folders with lists of words from the extensive library * 'Recent' list to easily review looked-up words * 'Word of the day' section to expand your vocabulary daily While it's used for understanding the basic meaning of words, this English dictionary app provides you with immediate translations, definitions, and several other features. With the 'autocomplete' feature, you can look for relevant words quickly. With over 150 years of research backing its products, Oxford University Press is the most popular name in the industry. Considered to be the flagship product in Mobile Systems' huge catalog of dictionaries, Oxford Dictionary app features several language and search tools. For many years, it has been accepted as one of the most esteemed authorities in the study of English language. With more than 350,000 words in the database, this is the most comprehensive collection of words, meanings, and phrases in the English language. Oxford English Dictionary app comes with thousands of region-specific entries, which reflects the global adaptability and richness of the English language. While using this app, you can leverage the strength of Oxford's research excellence. Moreover, the app gives accurate regional definitions, ideal for people who're travelling to unfamiliar regions around the globe. Moreover, the 'Wild card' feature allows you to replace specific parts of the word. Oxford English Dictionary download lets you use 'camera search' to look for words with the viewfinder. Since the company keeps updating the database on a regular basis, you're always up to speed with relevant changes in meanings, definitions, and pronunciations. With 'Word of the day', you can learn new words and phrases every day. Additionally, the 'keyword lookup' feature lets you search within compound phrases and words. If you're looking for a particular word but don't know its spelling, the app has got you covered. With plenty of features, such as voice searches, camera searches, multiple filters, keyword searches, tap to translate, and more, Oxford Dictionary app is one of the most useful learning tools for Android. While there are other good alternatives like U-Dictionary, this English dictionary download has built a reputation of being the most reputed name in the industry. For an improved learning experience, the home screen widget provides random words continuously. Depending upon your needs, requirements, and interests, Oxford Dictionary of English Free lets you use four different themes.
